**JORDACHE**

I never saw what everyone else saw in Zac, but now I totally understand because he's definitely cute and hot. He's grown up a lot.

**What kind of guy do you go for?**  
 Someone you can trust and have fun with. You need someone as honest as you. Jake Gyllenhaal is definitely cute.

**How do you manage to make time for yourself?**  
 It's hard. It gets stressful and you get tired. You have to find time to sleep, eat healthily and work out. Working out relaxes me in some weird way.

**Ever been starstruck?**  
 I met [Holly Madison, Bridget Marquardt and Kendra Wilkinson from] *The Girls Next Door* and they were so cool! I was so excited to see what they looked like when there are no cameras around. They are really gorgeous and super nice.

**How would you handle megafame?**  
 If it ever happened, like Paris Hilton or Britney Spears, I'd move out of the state! I don't know how they handle it, it's got to be frustrating.

**How have you managed to avoid the pitfalls of Hollywood?**  
 I don't drink and I don't smoke so that's why I don't go clubbing [laughs]. I love to hang out at home and watch movies. I guess I'm kind of boring!
